Ban on Colouring in Pickles

1746. SHRI K. R. MALKANI: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether the Government have issued a notification banning the use of colours in pickles, with a view to enabling the consumers to have a better assessment of the quality of the product, as colour could mask both the quality and appearance of pickles and mislead the consumers, as reported in the Hindu of 23rd October, 1999;

(b) if so, whether Government would ban the use of colours in sweets also for the same reasons; and

(c) if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI N.T. SHANMUGAM): (a) Yes, Sir. The use of permitted synthetic colours have been banned in pickle since there is no technological need and traditional practice to use colour in pickle and use of colour in pickle masks both the quality and appearance.
